

Club 1000 is the official Top Fundraising Club of elite fundraisers for the West Valley Walk MS. To become a member, participants must raise a minimum of \$1,000.

**Why accept the challenge?**

Every dollar you raise means more funding for MS research, programs, services and advocacy for individuals living with the daily challenges of MS. In fact, your \$1,000 could...

- Help underwrite the cost of research for new treatments
- Help purchase medical equipment for someone who is not financially able
- Help underwrite the cost of installing grab bars in someone's home
- Cover a year's expenses for Self Help Groups across Arizona
- Help cover the cost of putting a lift on someone's car

In recognition of their accomplishments, every Club 1000 member receives exclusive benefits including:

- Exclusive Club 1000 bib to wear at the West Valley Walk MS
- Introduction and recognition during opening ceremonies at the West Valley Walk MS
- Name listed on the West Valley Walk MS website as a Club 1000 member (after the individual prize deadline has passed)
- Special sign placed along walk route with your name shown as a Club 1000 member
